

The champion of multipurpose food processors!

Ideal for large families and people who love hosting.

You can knead dough, whisk egg whites, whip cream, mince meat, blend soups, make milkshakes, emulsify sauces, slice and grate vegetables and parmesan cheese, squeeze and extract 100% natural fruit and vegetable juices, and make smoothies and plant milks.

Includes a Juice Extractor: XL Extra Press and 3-disc pack (Parmesan, 1 mm slicer and 6 mm grater).

Simple

Main bowl 3.6 L: for all preparations
Midi bowl 2.6 L: to slice and grate vegetables
Mini bol 1.2 L: to blend small quantities

The 3 bowls allow you to effortlessly carry out several tasks in quick succession.

The **XL feed tube** enables you to insert large segments, or whole fruits and vegetables.

Sturdy and ultra-quiet

All our food processors are made entirely in France and equipped with **ultra-quiet**, energy-efficient **commercial-grade motors** with a **30-year warranty**.

Space-saving attachment storage

The **Sabatier stainless steel attachments**, made in Thiers, ensure a perfect cut.
 And they come with a space-saving storage box.
