

BOSCH

Invented for life

Athlet Serie | 8 ProPower

For when performance really matters.
Our most powerful Athlet* with
extra run time.

*Dust pick-up on carpet and hard floor with crevice according to EN 60312-1:2017, 5.11 compared to other Athlet models with 18V and 25.2V.

Athlet Serie | 8 ProPower

ProPower stands for high performance and long run time.

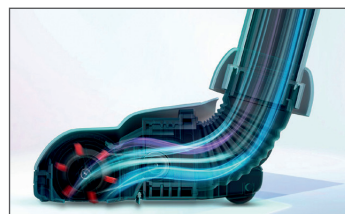

Want long run time with maximum flexibility and the cleaning performance of a corded vacuum cleaner*?

The ProPower System was developed for the highest standards: from a powerful battery with 70 % more capacity** for top run time, to a high-performing motor, to an extra strong nozzle motor.

*Athlet Serie 8 ProPower reaches a dust pick up as required for corded vacuum cleaners according to Commission Regulation (EU) No 666/2013 (measured according to EN 60312:2017, sections 5.2 & 5.3).

**Watt hours (Wh) compared to a Bosch Athlet with 25,2V and 1,95Ah.

Key features

AllFloor HighPower Brush

Outstanding cleaning results on all floor types thanks to extra-wide and powerfully motorized brush.

Bosch Lithium-Ion Technology

Durable and powerful rechargeable batteries with up to 80 min. run time and short charging time.

Cordless vacuuming

Without limitations: Long run time, light weight and large dust box capacity allows easy cleaning of an entire home.

Selfstand Function

Easy to place in a free-standing position anywhere around the house.

SmartSensor Control

Powerful every time: Monitors the vacuum cleaner continuously and ensures that it operates at its optimum level.
