

MIA BASINS

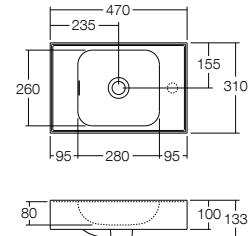

OMVIVO

Mia exudes modern luxury, with generous elegant bowls seamlessly integrated into the benchtop, and a gentle chamfered edge detail running the perimeter of the basin. A discreet overflow is hidden neatly at the front of each bowl, while the square profile ensures straight forward installation onto cabinetry or wall mounting. Mia sizes range from a compact powder room basin through to generous double basins and each Mia basin is supplied with a complimentary white solid surface plug with waste.
