

WINIX ZERO 4-stage air-purifier

Introducing the state-of-the-art Winix ZERO range. The ZERO 4 Stage Air Purifier features 4 Stages of air purification with PlasmaWave® technology, reactive Dual Smart Sensor, Smart Air Quality Display, Sleep Mode and 4 Fan Speeds with Hospital Grade True HEPA filtration for whole rooms. The perfect all-rounder home air purifier.

Model Number: AUS-1050AZBU
(start-up filters included for approx. 1 yr continuous use)

Benefits

The Winix Zero 4 Stage Air Purifier provides world-leading air purification for any home environment - effectively capturing airborne pollutants and allergens including Dust, Pollen, Pet Dander, Smoke, Mould Spores, VOCs and Household Odours.

The Zero 4-Stage can be used in bedrooms up to larger open plan living spaces, featuring 4 stages of filtration; a Fine Mesh Pre-filter, Deodorization Activated Carbon Filter, Hospital Grade True HEPA Filter and Winix PlasmaWave® Technology.

Awarded the international Red Dot Design award, the Zero 4-Stage is one of the most stylish, advanced design Air Purifiers in the industry. Manufactured just for Australia, the energy efficient Zero 4-Stage Air Purifier is a top quality performer with world class technology and design.

Providing much needed relief to asthma sufferers and those affected by respiratory issues, in addition to anyone wanting to protect themselves and their families from the harmful effects of polluted indoor air. Breathe easier, sleep better, feel better. Winix; the most complete air-purifiers on the market!

Features

- 4-stages of air filtration
- Optimum room size: 38.2 m²
- Australian Hospital-grade True HEPA filter: captures 99.97% of airborne pollutants as small as 0.3 microns
- PlasmaWave® technology: neutralises viruses (flu virus), bacteria, odours, VOCs (chemical vapours and harmful gases) without producing harmful ozone*
- Deodorization Activated Carbon Filter: activated carbon captures VOCs (chemical vapours) as well as offensive odours (up to 99.9% efficiency)
- 4 fan speeds with 'set & forget' auto mode
- Dual Smart Sensor: monitors and reactively adjusts to airborne contaminants
- Smart Air quality LED display: measures and displays the indoor air quality
- Sleep mode: dims the lights and operates in quiet mode
- Exceptional energy efficiency: up to 15 times more efficient than a typical 60w household light bulb
- Replacement air filters: reliable availability at 'value for money' prices
- full 2 year domestic replacement warranty / 6 month non-domestic warranty

*In tests by global independent safety science company UL LLC, Winix Air Purifiers produced 3 part per billion ozone - a nearly undetectable level that is substantially lower than the FDA's allowable level of 50 part per billion.

Detailed Dpecifications

Model Information

Model	AUS-1050AZBU
Product Name	Winix ZERO 4-Stage Air Purifier
Optimum Room Size	38.2 m ²
Replacement Filters	Value Pack: GI (HEPA & Deodorization Activated Carbon Filter Pack)

Feature Information

4-Stage Air Cleaning	1. Washable pre-filter 2. Deodorization Activated Carbon Filter 3. Hospital-grade True HEPA filter - 99.97% @ 0.3 microns 4. PlasmaWave® Technology
PlasmaWave® Technology	✓
Australian Hospital Grade True HEPA Filter	✓
Deodorization Activated Carbon Filter (advanced odour & chemical control)	✓
Washable Pre-filter	✓
Air Quality Dual Smart Sensor (auto dust and light sensor)	✓
Smart Air Quality Display (smart particle sensor display: blue/amber/red)	✓
Sleep Mode	✓
Timer	✓
Auto Mode	✓
Replace Filter Indicator	✓
Number of Fan Speeds	4 (Low-Mid-High-Turbo)
Electronic Controls	Soft Push Button Control

Technical Specifications

Unit Dimensions (mm)	380 (w) x 208 (d) x 600 (h)
Unit Weight	7 kg
Power Consumption (Max. Watts)	35 w
Noise Level (Max. dBA)	47 dBA

Certifications & Awards

National Asthma Council Australia Sensitive Choice Approval	✓
Hospital Grade True HEPA Filter (Australia Health Standards)	✓ (Exceeds Australian Health Standards: 99.97% @ 0.3 microns)
Activated Carbon Filter VOC Air Quality Testing	✓ (Captures up to 99.9% of airborne VOCs within 2 hours)
PlasmaWave® Technology Testing Certification	✓ (Neutralises 99.6% of the influenza virus within 1 hour)
ERAC (Australian Electrical Safety Standards)	✓
QEC Global (Australian Electrical Safety Compliance)	✓
Awards	International Red Dot design award

Warranty Information

Warranty (domestic)	2 years
Warranty (non-domestic)	6 months
