Product highlights

Eloxal 3D soleplate

The patented upward curving soleplate guarantees 360° glidability over any fabric and any obstacle – even backwards. Avoid getting stuck on buttons, pockets and zippers.

2400 Watt

Great performance

Thanks to 2400W of high power output.

Powerful steam options

Three great steam features that deliver high output and great results. Variable steam up to 50 g/min (in Turbo mode) and steam shot of up to 230 g/min lets you eliminate the toughest wrinkles.

Self-clean

Ensures long-lasting steam performance. Simply remove the steam knob for quick and convenient cleaning.

Auto-off

Auto shut-off

After 8 min in vertical position or 30 seconds in a horizontal position for safety and energy saving.

Anti drip function

Anti-drip

The improved anti-drip system ensures that no water escapes from the soleplate, even when ironing at low temperature.

Easy Refill

The new TexStyle 7 Pro features a larger water tank opening and a more ergonomic lid that makes refilling faster and easier.

Precision zone

Precision tip

The triangular shaped precision zone at the tip of the iron allows you to easily remove the toughest wrinkles from hard to reach areas like collars and seams.
